URGENT MEDICAL FUNDRAISING APPEAL

Help Save the Life of Baby of Shimpi Kumari (Twin Baby - Male)

Dear Kind Supporter,

We humbly seek your support for **Baby of Shimpi Kumari (Twin Baby - Male)**, who was born on **24 June 2026** as an **extremely premature baby at only 31 weeks of pregnancy**, weighing just **1.1 kg**.

Immediately after birth, the baby developed **severe respiratory distress** and had to be shifted to the NICU for specialized treatment. According to the treating doctors, the baby requires continuous medical monitoring and intensive neonatal care to survive and recover.

Medical Condition

The child has been diagnosed with:

* Extreme Prematurity (31 Weeks)

* Very Low Birth Weight (1.1 kg)

* Respiratory Distress Syndrome

* Moderate Respiratory Distress requiring oxygen support

* High Risk of Infection requiring intravenous antibiotics

Continuous NICU Monitoring and Specialized Neonatal Care

Despite receiving emergency treatment, the baby still requires ongoing medical care, regular investigations, medicines, nutritional support, and close observation by neonatal specialists.

Estimated Cost of Treatment

Particulars	Estimated Cost (INR)
NICU Admission & Bed Charges	₹1,20,000
Respiratory/Oxygen Support	₹55,000
Neonatologist & Specialist Consultation	₹45,000
Medicines & Antibiotics	₹70,000
Laboratory Tests & Investigations	₹35,000
Feeding Support & Nutrition	₹25,000
Medical Consumables & Emergency Care	₹50,000
Follow-up Treatment & Monitoring	₹30,000
Estimated Total Treatment Cost	₹4,30,000/-

(The above estimate may increase or decrease depending on the baby's medical condition and duration of NICU stay.)
